DIGNITY STATEMENT

A most important policy of WHS is to provide a learning place and a workplace in which all individuals can achieve success in a climate of equity for all people. Equity must be the guiding principle in all public school matters. Because WHS seeks to celebrate diversity, the rights of all people involved must be respected and preserved. Employees, students, visitors, and agents of WHS must adhere to this policy.
Confirmed violations of discrimination and/or harassment by any employee, student, visitor, or agent of WHS will lead to corrective action, which may lead to suspension and/or dismissal. **Discrimination and harassment of any form will not be tolerated.** Prejudice, bigotry, racism, and sexism and any other bias of ignorance have no value or place in the mission of WHS. The fostering and development of values, which promote open-mindedness, awareness, sensitivity, and respect for differences, will be encouraged and supported.

**GENERAL INFORMATION**

**BUS PASSES**
A parent/guardian must call or provide a signed, written note for bus passes.

**BUS TRANSPORTATION**
For your safety we have established the following rules for riding the school bus. You are expected to follow these rules at all times. You are reminded that riding the school bus is a privilege; any infraction of the rules may result in discontinuation of riding privileges.

1. Follow all directions of the driver willingly the first time they are given.
2. Show respect for the driver and for the other students on the bus.
3. Eating and drinking on the bus are not permitted. Place all litter in a trash can.
4. Harassment, teasing, shouting, pushing or fighting is not acceptable and will not be allowed at any time.
5. Remain seated, keeping all parts of your body inside the bus. Seating assignments will be at the discretion of the driver and/or school administrator.
6. When entering or exiting the bus, students must be in view of the driver at all times. Always cross in front of the bus. Exit only at assigned stop.
If you are going to ride another bus or get off at a different stop, you must have a signed bus pass from the school attendance office. Bus passes will not be given over the phone.

7. Pets, harmful objects, such as skateboards, and vandalism are not acceptable and will not be allowed.

8. The school bus stop is considered an extension of school property and thus, all school rules will be enforced.

CALENDAR
APS has a web-based calendaring program for school district events and activities. *The online calendar can be found on the district website at www.asd.wednet.edu “Calendar” link*. The web-based calendar will allow you to go to one place for current information about all school activities. Featured calendars have been created to provide easy access to school events and popular groups of activities. You may also use the “My DynaCal” feature to create a customized calendar to include only those events that are of interest to you.

CAMPUS PASSES
Students must have a hall pass to be anywhere outside of class. Staff members are expected to send any student back to class who does not have a hall pass.

CHANGE OF ADDRESS/STATUS
Please notify the Registrar promptly of any address or phone number changes. This is critically important should we need to contact parents in the event of an emergency. Whenever possible, we would like to have e-mail addresses of parents.

EXTRA-CURRICULAR ACTIVITIES
Students at WHS may participate in their home school’s athletics and activities. Please contact your residential school for information regarding athletics or activities. Fees for transportation, Codes of Conduct, schedules and requirements will apply.
STUDENT SERVICES

GUIDANCE COUNSELOR & COUNSELING
Our counselor works with the student to plan courses and schedules and gives academic, vocational and career guidance. She works with students, parents, teachers, and referral agencies to help students solve problems. The counselor serves as an advocate for the student in relationships with the school, peers, parents, and outside agencies. The counselor is available for personal and family consultation and appropriate referrals can often be made to other community services and agencies. A counselor will not break a confidence unless it involves danger to the student or to others.

Depending upon the rigor of the math credits earned, a senior year math-based course might also be required. **Students are strongly encouraged to review college admission requirements as they can differ from WHS graduation requirements.**

Additional requirements for high school graduation include the Senior Presentation, State Assessment requirements and a High School and Beyond Plan. **Cross reference: APS Policy/Procedure #2410/2410P.**

**REPORTING PERIODS**
There are eight grade-reporting periods each year (Credit Achievement Plan or CAP Sessions). In all classes in which letter grades are used, a grade is assigned at the end of each CAP.
PROCEDURES

FEES AND FINES
Students must have all fines paid in full, in order to receive official copies of transcripts, or diploma. Students are encouraged to make arrangements for paying any and all fines.

ILLNESS AT SCHOOL
If you become ill at school you must get permission from the teacher to report to the office. The school health care provider will determine whether you should be sent home, return to class, or be permitted to rest in the health room. If this procedure is not followed and you have not properly checked out, you will be considered truant for all classes missed.

MEDICATIONS AT SCHOOL
In accordance with APS Policy/Procedure #3416 and the requirements of RCW 28A.210.260, designated school personnel will administer only prescribed oral medication to students if the following procedures have been completed. No over-the-counter medication will be given, except in special circumstances, and will require both parent and Health Care Provider’s authorization to administer to student. The medication procedure is to ensure that students receive only medication at the direction of the student’s health care provider and with the knowledge and authorization of the parent/legal guardians. We encourage your cooperation in this process to protect the health and welfare of students.

Parents/guardians and licensed medical practitioners may request the student be allowed to take their medication on their own. In this situation where parent/guardian and licensed medical practitioner believe it is in the best interest of the student to carry medication, the student shall have only one day’s dose in the original, labeled container. (Prescriptions must contain students name, name of medication, dosage, time to be administered, and expiration date, as well.) Parents are responsible for adequately informing the school personnel of the student’s medication
program. There is a required medication form that needs to be completed before medication can be carried independently. *All prescription narcotics or stimulant must be administered through the Registrar, e.g., Ritalin, Vicodin.*

- **Due to the zero tolerance drug policy, students must have a parental authorization form on file if they will be carrying their own one-day-dose of medication. Failure to comply will result in a violation of the WHS drug and alcohol policy.**
- School staff cannot administer any type of medication, including over-the-counter medications such as Tylenol or Ibuprofen, based on a phone call from a parent/guardian.
- Please contact the school health care provider if you have any questions.

**PARKING/DRIVING ON CAMPUS**

Parking a student vehicle and operating a motor vehicle on the WHS campus is a privilege. WHS does not assume liability for any property damage to any private vehicle parked on its property. As such, WHS students are encouraged to use district-provided transportation. APS Policy/Procedure #3243.

Those students driving vehicles to WHS will be required to adhere to the following:

1. To park on campus, students must present proof of insurance and a valid driver's license and have their parking pass visible by either hanging it from their rear view mirror or on the dash board at all times while on school property.

2. **The parking lot is closed to all students during classes to protect student vehicles from possible theft or vandalism.**

3. Parking in handicap spaces, fire lanes, on sidewalks, or on grass areas, etc. will be in violation of parking regulations.
4. Student drivers must operate their vehicles in a safe manner, follow all rules of the road and abide by all posted speed limit and warning signs.
5. Students are responsible for the cleanliness of the area in the immediate vicinity of their vehicle. Litter must be kept in vehicle or placed in a garbage can.
6. In terms of student conduct rules, “possession” of alcoholic beverages, tobacco, drugs or drug paraphernalia, firearms, or a dangerous weapon shall extend to a student’s vehicle.
7. Student’s vehicles are subject to searches. See WHS Search and Seizure Policy and Procedures for further details.
8. Parents will be contacted for all driving safety concerns.
9. There is no parking in the Stillaguamish Athletic Club Parking Lot. Students driving to school must park on campus.
10. Students may not drive themselves between WHS and AHS, Sno Isle or any other location, including field trips, during school hours.
11. Students who do not have their parking pass visible (hanging on rear view mirror or on the dashboard) while on school property could receive the following discipline. The first offense the student could receive a written warning, second offense the student could be charged a $5.00 fine, third offense the student could be charged a $10.00 fine and fourth offense the student may have their parking privileges revoked. Fines will be added to the student’s fine list

Not adhering to these rules may result in student losing the privilege to drive to school or further consequences.

SCHOOL CLOSURES OR DELAYS
In the event of emergency situations such as severe winter road conditions or school closures or delays in opening, an announcement will be made over local radio, television stations or online at Flash Alert Newswire. Please do not call the school for closure information as this decision is made before staff is available to answer phones.
VIDEO CAMERAS AND DIGITAL CAMERAS (INCLUDES CAMERA PHONES AND FILM CAMERAS)
Students must remember to respect the privacy of all students when using these devices in public places. Therefore, students are not permitted to bring video cameras or digital/film cameras to school without prior approval from a teacher or administrator for use in the completion of a class assignment or project. The use of video cameras, digital cameras, cell phone camera or film cameras on campus should be related to a specific assignment or project from the student’s class. Student’s cameras and tapes are subject to confiscation and viewing if the administration suspects the camera is being used for activities inconsistent with district or school policies including the disruption of the educational environment. Inappropriate use includes the violation of privacy rights that may occur by videotaping or photographing students or adults without prior permission.

VISITORS/VOLUNTEERS
Visitors are not allowed in schools within APS unless for official business. Volunteerism at WHS is welcomed and encouraged and student/visitor/volunteer safety is of paramount concern.

• All visitors and volunteers must sign-in and sign-out at the Main Administrative Office upon their arrival and departure. Visitors and volunteers will receive and must conspicuously wear a visitor’s badge at all times while in the building or on campus. This includes parents/guardians who may be visiting their student during lunch.
• Unfamiliar persons and/or persons not wearing a visitor’s badge will be directed to the Main Office. Visitors and volunteers may also be asked for identification.
• Out of respect to the learning environment, visits to observe a classroom and/or visits by parents/guardians wishing see their student in a classroom during the school day must be arranged through the Principal’s Office.
• Volunteers must submit to a background check conducted through the Washington State Patrol system. The “Washington State Patrol Request for Criminal History Information” forms are available in the Main Office and on the APS website. The form is to be submitted 2 weeks prior to volunteering at the school or chaperoning a field trip, dance or activity. The form must be renewed every two years. Approval of all volunteers and chaperones is subject to the approval and discretion of the Principal or designee.

• SCHOOL AGE VISITORS and RECENT GRADUATES are not allowed in the building or on campus at any time during the school day.

Cross Reference: APS Policy/Procedure #4129, #4200 and #5630.

WITHDRAWAL FROM SCHOOL
A student withdrawing from WHS must have a parent make contact with the Registrar, in person or by phone.

• The withdrawal form requires withdraw grades and fine information from all of his/her teachers on the last day he/she will be attending classes (not required for withdrawal during the summer).
• The completed form must be turned into the Main Office to obtain the necessary paperwork to enroll in a new school.
• The student must turn in all books and supplies issued by the school and satisfy all pending fines at the Main Office in order for official transcripts to be released.
• Official school documents will be sent to a new school when a request from that school is received.

CHECK/NSF COLLECTION POLICY
Our school district has established the following policy for accepting checks and collecting bad checks: For a check to be an acceptable form of payment it must include your current, full and accurate name, address and telephone number. When paying by check you authorize the recovery of unpaid checks and the recovery of the state allowed fee by means of electronic re-presentation. In addition, providing a non-sufficient funds check will result in you being barred from writing checks to the school or district for the remainder of the school year.

EMERGENCIES/EMERGENCY DRILLS
It is necessary for all students to be knowledgeable about emergency procedures. Classroom teachers will explain procedures for practice drills. Parents are advised that:

1. If there is an earthquake while students are on their way to school, they should "duck and cover" away from power lines, buildings, and trees. Once the earthquake has stopped, they should proceed to school. If the quake occurs on their way home, after protecting themselves until the quake stops, they should proceed to their home.

2. A parent is advised not to remove a student from the school grounds unless they have first checked with school officials. If a parent were to remove a student without checking out, others could be needlessly hurt while searching for a missing student.
3. **They should avoid calling the school.** The phones, if they are functioning, may be needed by school staff. Parents of injured students will be notified first. All schools will have trained staff to help injured students until other medical assistance arrives. Staff members should attempt to account for all students and staff before re-entry, the Principal must feel absolutely certain, on the basis of thorough inspection of both structures and utility conduits, that the facility is safe; but no students or staff will be dismissed until procedures have been approved by the Superintendent's office if district-wide communications are in operation. **Cross reference: APS Policy/Procedure #3432/3432P.**

**ATTENDANCE POLICY**

Washington State legal code establishes responsibility for attendance at school as resting primarily with students and parents, and further states that students shall have regular and punctual attendance. The successful completion of classes depends on a student’s punctuality and regularity of attendance. While a small number of absences might, on the average, do little harm, there is a point where attendance directly affects learning and thereby affects the grade a student receives. Good attendance is essential in the workplace and it is one of the first items checked by prospective employers. A pattern of absenteeism is cause for disciplinary action and/or suspension (WAC 180.40). Due Process procedures will be followed whenever it is determined a student will be suspended for attendance reasons. Twenty (20) consecutive days of absences will result in a student being dropped from school (WAC 392.121.108).
**EXCUSED ABSENCE**

A parent/guardian may excuse a student for the following valid reasons (Board Policy #3122)

</tbody>
</table>

**PRE-ARRANGED ABSENCE (EXCUSED)**

A parent/guardian may request a pre-arranged absence for their student for a reason that does not meet one of the valid reasons listed above. The parent/guardian and principal (or designee) may mutually agree upon the student’s absence, as excused, if the pre-arranged absence will not have a serious adverse effect on the students’ educational progress. Parents/Guardians should make a request at least one (1) day in advance for each day of absence. i.e.: Five (5) days in advance for an absence that will cause a student to miss five (5) days of school. (See attendance office for form)

If an absence is excused, the student will be permitted to make up all missed assignments outside of class under reasonable conditions and time limits established by the appropriate teacher except that in
participation-type classes a student’s grade may be affected because of the student’s inability to make up the activities conducted during a class period.

The school district may excuse a student’s absence for the following reasons (Board Policy #3122)

</tbody>
</table>

**UNEXCUSED ABSENCE**

A parent/guardian may keep a student home for other reasons not listed above, but the absence will be marked unexcused because the absence does not match one of the valid excuses listed in Board Policy #3122. A student whose absence is not excused will experience natural consequences of his/her absence. A student’s grade may be affected if a graded activity or assignment occurs during the period of time when the student is absent. Teachers are not required to give make-up work for an unexcused absence.
TRUANCY
Failure to attend class without parent/guardian or school authority knowledge is truancy. This type of absence will result in school discipline and may result in juvenile court proceedings. RCW 28A.225.010

BEHAVIOR/DISCIPLINE

DRESS CODE
Preserving a beneficial learning environment and assuring the safety and well-being of all students are primary concerns of the staff at WHS and the APS Board of Directors. Students’ choices should be made in consultation with their parents. Student dress shall be regulated when, in the judgment of school staff or administrators there is a reasonable expectation that:

1. A health or safety hazard shall be presented by the students dress or appearance,
2. Damage to school property shall result from the student’s dress, or
3. A material and substantial disruption of the educational process will result from the students dress or appearance.

For the purpose of this policy, a material and substantial disruption of the educational process may be found to exist when a student’s conduct is inconsistent with any part of the educational mission of the school district. Prohibited conduct includes the use of obscene, sexual, drug or alcohol-related messages, gang related apparel, or apparel that does not fit appropriately.

Students and Staff are required to wear clothing that is appropriate for a school environment. Some clothing is considered inappropriate, and the school reserves the right to request a change of apparel.
In accordance with APS Policy #3224, the following restrictions on clothing shall be enforced. Restrictions on clothing include (but are not limited to):

1. Tank tops or dresses must be of a modest cut and not revealing.
2. Shorts and skirts must be no shorter than mid-thigh length.
3. Halter-tops and backless, strapless tops may not be worn.
4. Shirts must be long enough to reach the top of the belt line or waist.
5. Shoes must be worn at all times.
6. Gang related clothing is prohibited.
7. Pants must be worn at the waist.
8. Undergarments must not be visible.
9. Items promoting drugs, alcohol, promiscuous behavior, or general disrespect deemed offensive to any group or individuals are not allowed.
10. Adornments may not present danger to self or others.
11. Make-up may not conceal identity or threaten or intimidate others.
12. Items that represent disrespect or that can be considered offensive to any student, staff or community member, such as swastikas and confederate flags.

When a student is informed of inappropriate dress, the student will be asked to change or will be sent home to change. Consequences and disciplinary action shall be dependent on the severity of the incident and consist of: Parent Contact, Detention, Short-Term to Long-Term Suspension.

**FREEDOM OF EXPRESSION**
The free expression of student opinions is an important part of education in a democratic society. Students’ verbal and written expression of their own private opinion on school premises is encouraged so long as it does not substantially disrupt the educational environment. Such speech
activity by students is solely their own expression of views and the District does not intend to promote, endorse, or sponsor any expressive activity that may occur. However, distribution of written material, oral expression, or any other expressive activity (including the wearing of symbols, clothing, hairstyle, or other personal effects) may be restricted where a substantial disruption of the educational process is likely to result, or does result from such activity. Substantial disruption includes:

- Inability to conduct classes or school activities, or inability to move student to/from class or other activities.
- Breakdown of student order, including riots or destruction of property.
- Widespread shouting or boisterous conduct.
- Substantial student participation in a school boycott, sit-in, stand-in, walkout, or similar activities.
- Physical violence, fighting, or harassment of any kind among students.
- Intimidation, harassment, or other verbal conduct that is considered uncivil in nature (including swearing, disrespectful insulting speech to students, teachers, or administrators) creating a hostile environment.
- Defamation or untrue statements.
- Statements that attack ethnic, religious, gender or racial groups, or that tend to provoke a physical response, including gang symbols or apparel, displaying hate symbols or insignias and logos perceived to be hate symbols, insults, or other fighting words that could reasonably be anticipated to provoke a physical or otherwise disruptive response.
- Speech likely to result in disobedience of school rules or health and safety standards (such as apparel advertising alcohol, drugs, tobacco, etc.).
Official student publications, such as a newspaper or yearbook, and student expression that occurs under circumstances where it is sponsored or endorsed by the school (such as speech at student assemblies), are not private speech of students. DISCIPLINE POLICY AND PROCEDURES
Administration, staff, and parents believe that all students have the right to an educational environment conducive to learning and safe from physical and psychological abuse. No student will be allowed to disrupt this process and/or interfere with the rights of others. We expect most students will exhibit responsible behavior. There may be a few students who will make poor choices and conduct themselves in an inappropriate manner. The discipline policy at WHS is designed to hold students accountable for their actions, promote more responsible behavior through logical consequences, and ensure both due process and progressive discipline. The steps are progressive and will be followed as outlined unless the degree of infraction merits a harsher consequence than outlined or unless extenuating and/or exceptional circumstances exist justifying a lesser consequence. Students who involve themselves in criminal acts on school property and within a two
block radius of the school, off school property at school-supervised events, or off school property and which acts have a detrimental effect upon the maintenance and operation of the school are subject to disciplinary action by the school and prosecution under the law. Law enforcement referral and/or action will occur as appropriate.

MEMORANDUM OF UNDERSTANDING
A memorandum of understanding exists between the Arlington School District and the Arlington Police Department. The following incidents may be reported to the police: fighting, arson, assault, bomb threats, burglary, dangerous weapons violations, disturbances, explosives, extortion, harassment, blackmail, coercion, forgery, tampering with fire apparatus or alarms, theft, destruction of property, robbery, sale, use or possession of tobacco, alcohol, drugs, or drug paraphernalia, and/or criminal trespass. This list is not limited in scope.

EXCEPTIONAL MISCONDUCT
Exceptional Misconduct means misconduct, other than absenteeism, which a school district has judged to be so serious in nature and/or so serious in terms of the disruptive effect upon the operation of the schools as to warrant an immediate resort to short-term or long-term suspension. This has been determined by District policy #3241 and 3241P and the District’s Ad Hoc Citizens’ Committee pursuant to WAC 180-40-245(2) and 265(2).

**NOTE:** Parents will be notified by phone or in writing when a student is assessed a disciplinary consequence greater than a warning.

**NOTE:** Depending on the seriousness of the offense and number of previous violations (progressive discipline) consequences could be more severe. If police are contacted, the action taken may be beyond WHS and/or APS policy.

**NOTE:** The school day consists from the time you leave your house in the morning until you return home that evening. Also included are any school activities or other events where you represent the school. Some exceptions may apply and are dealt with on an individualized basis.
